Hanna considered The Honeymooners to be one of the finest comedies... 49381fab1 Nugent later said, "There are moments on that album I can not listen to. I can not listen to "Stranglehold". It's a piece of shit. The son of a bitch is too slow. It's out of fucking tune. "Great White Buffalo" is one of my all-time favorite songs. I can't even listen to the cocksucker on that record." 49381fab1 The phenomenon of "trophy-taking" was widespread enough that discussion of it featured prominently in magazines and newspapers. Franklin Roosevelt himself was reportedly given a gift of a letter-opener made of a Japanese soldier's arm by U.S. Representative Francis E. Walter in 1944, which Roosevelt later ordered to be returned, calling for its proper burial. The news was also widely reported to the Japanese public, where the Americans were portrayed as "deranged, primitive, racist and inhuman". This, compounded by a previous Life magazine picture of a young woman with a skull trophy, was reprinted in the Japanese media and presented as a symbol of American barbarism, causing national shock and outrage. 49381fab1

Sweet, trusting, naïve Satchel is routinely subjected to the exploitation of cruel, self-centered Bucky, who is always torturing the poor canine. Rob, the middleman, is often frazzled from dealing with them, or more specifically, from dealing with Bucky's destructive nature and overall nastiness. The three characters live in an apartment on Boston's Longwood Avenue. Get Fuzzy often eschews the traditional "setup-punchline" format of most funnies, instead building on absurd dialog between characters. 49381fab1 Wrong Turn was released on May 30, 2003 in the United States by 20th Century Fox and Regency Enterprises.
