

What Is In All Spice

The maritime aspect of the trade was dominated by the Austronesian peoples in Southeast Asia, namely the ancient Indonesian sailors who established routes from Southeast Asia to Sri Lanka and India (and later China) by 1500 BC. These goods were then transported by land toward the Mediterranean and the Greco-Roman world via the incense route and the Roman-India routes by Indian and Persian traders. The Austronesian maritime trade lanes later expanded into the Middle East and East Africa by the 1st millennium AD, resulting in the Austronesian colonization of Madagascar.

The album's only single, "Headlines (Friendship Never Ends)", was released on radio on 23 October, whilst released digitally on 5 November and commercially on 19 November 2007. It was also announced as the official Children in Need charity single for 2007. The single managed to go to number three on the UK Physical Singles Chart.

Spices can be used in various forms, including fresh, whole, dried, grated, chopped, crushed, ground, or extracted into a tincture. These processes may occur before the spice is sold, during meal preparation in the kitchen, or even at the table when serving a dish, such as grinding peppercorns as a condiment. Certain spices are rarely available fresh or whole, and are typically purchased in ground form. Small seeds, such as fennel and mustard, can be used either in their whole form or as a powder.
