The Boys (TV series) Retrieved September 21, 2019. McGuire The Boys is an American satirical superhero streaming television series developed by Eric Kripke for Amazon Prime Video. Kripke wanted to also avoid "fridging", which sees women being killed off as motivation for male heroes. The story focuses on Hughie Campbell, a young electronics clerk, and Billy Butcher, a former SAS and CIA operative, who work together with the rest of the Boys against "The Seven", Vought's premier superhero team, led by the power-hungry Homelander. Based on the comic book series of the same name by Garth Ennis and Darick Robertson, it follows the eponymous team of vigilantes as they combat superpowered individuals, referred to as "Supes", who often abuse their powers for personal gain and work for a powerful company, Vought International, that ensures the general public views them as heroes. I am toying with buying a whole Jamón ibérico imported from Spain (I am in the U.S.) at a significant price. I already buy it in NYC from specialty stores and figure I will actually save money and have a better product, if I use it all and don't waste it. At what I project for "usage" (eating! but this is not something you eat large amounts of at one time), the whole ham should last, at the least, about two months. For the pre-sliced, it goes in the fridge, like any other cold cut. This is cured food, aged for 24 months, though in a controlled way. I'm not at all sure throwing it in the fridge would work (I mean, I assume it would "work" to keep it from spoiling in the interior; I mean compromising it). Can I just wrap it in some way (how?) and hang it from a hook in the kitchen, which is normal room temperature? Should I maybe wait until the winter, and store it in my garage which is not heated but never gets below freezing. Anyone with any experience who can give me some hands-on knowledge about this? 67.244.114.239 (talk) 21:16, 16 September 2017 (UTC) adbde30892 Broadcasting House (1998–) adbde30892 The series stars Karl Urban, Jack Quaid, Antony Starr, Erin Moriarty, Dominique McElligott, Jessie T.
