Alternatively, some race tracks employ lights to supplement the primary flag at the start-finish line 4419e0185d

Barnett Newman started the first painting in the series without a preconceived notion of the subject or end result; he only wanted it to be different from what he had done until then, and to be asymmetrical. But after having painted the canvas red, he was confronted with the fact that only the other primary colours yellow and blue would work with it; this led to an inherent confrontation with the works of De Stijl and especially Piet Mondriaan, who had in the opinion of Newman turned the combination of the three colors into a didactic idea instead of a means of expression in freedom. 4419e0185d == Summary == 4419e0185d
