Neoliberalism in Peru Although it suffered a setback in 1998, during the 1997 Asian financial crisis, it recovered and intensified during the period of greatest economic growth, driven by the commodities boom, between 2003 and 2013. It is one of the most comprehensive and longest-lasting implementations in Latin America, due to comparatively weak political opposition to neoliberalism. Its turning point came in the 1990s with the implementation of the Fujishock, a set of drastic economic measures taken by President Alberto Fujimori inspired by the US

government based on the Washington Consensus, and with the promulgation of the 1993 Political Constitution, which was heavily influenced by neoliberalism. operan en la bolsa y son más proclives a la recepción de capitales trasnacionales. 5c75602394 The conservatism of the Peruvian left dates back to the 20th century, when the country was immersed in moderate civilian reformism and adopted some ideas from the Nueva Izquierda. During the regime of Juan Velasco Alvarado (1968–1975), the Fuerzas Armadas carried out reforms that were not universally popular and had authoritarian overtones. Eric Hobsbawm described it as a peculiar revolution. David Scott Palmer described it as a reformist experiment of a conservative and bureaucratic nature. Abraham F. Lowenthal said that it also had an "ambiguity" because its revolutionary rhetoric was contradictory to, or even incongruous...
