Any suggestions on making this page public faster? I used a lot of his own words from an interview he did and reliable articles on him from strong sources to come up with my article. He has his own radio show in the Los Angeles market so hes well known in LA as a host for different LA Lakers shows and would like him to have his own Wiki page. Any advise would be greatly appreciated. Thank you Perezcov2 (talk) 17:29, 12 May 2022 (UTC)
