A Portuguese garrison was established at the site of modern-day Montevideo in November 1723. The Portuguese garrison was expelled in February 1724 by a Spanish soldier, Bruno Mauricio de Zabala, as a strategic move amidst the Spanish-Portuguese dispute over the platine region. There is no official document establishing the foundation of the city, but the "Diario" of Bruno Mauricio de Zabala officially mentions the date of 24 December 1726 as the foundation, corroborated by presential witnesses. The complete independence from Buenos Aires as a real city was not reached until 1 January 1730. It was also under brief British rule in 1807, but eventually the city was retaken by Spanish criollos who defeated the British invasions of the River Plate. Montevideo is the seat of the administrative headquarters of Mercosur... Adequate organization to provide comprehensive health care, including promotion of health, prevention...

Timeline of LGBTQ history in Ecuador February 2024. Martí, Rafael (20 June 2013). The earliest manifestations of lesbian, gay, bisexual, and transgender (LGBT) people in Ecuador were in the pre-Columbian era, in cultures such as Valdivia, Tumaco-La Tolita, and Bahía, of which evidence has been found suggesting that homosexuality was common among its members. Documents by Hispanic chroniclers and historians—such as Pedro Cieza de León, Gonzalo Fernández de Oviedo y Valdés, and Garcilaso de la Vega—point to the Manteño-Huancavilca culture in particular as one in which homosexuality was openly practiced and accepted. However, with the Spanish conquest, a system of repression was established against anyone who practiced homosexuality in the territories that currently make up Ecuador. ABC (in Spanish). “Una lesbiana escapa de una “clínica de deshomosexualización” en Ecuador”. Archived from This article presents a timeline of the most relevant events in the history of LGBT people in Ecuador
