Although Jones and Wynette had divorced in 1975, Epic still released duets they had recorded together because public interest in the couple remained so intense. In fact, Golden Ring would be their only number one LP together, and the pair would score four top five hits between 1976 and 1980. As Bob Allen points out in his biography George Jones: The Life and Times of a Honky Tonk Legend, the couple, who had endured a very bitter, public divorce, were forced to make appearances together because "After the divorce, the demand for concert bookings with either Tammy or George, separately, fell off drastically...Tammy found herself strangely ill at ease in front of disappointed and often angry audience members, a few of whom never failed to holler and scream, even in the middle of one of her songs: 'Where's George!'"
