== Background == 9fd6561601 In trade unions, workers campaign for higher wages, better working conditions and fair treatment from their employers, and through the implementation of labour laws, from their governments. They do this through collective bargaining, sectoral bargaining, and when needed, strike action. In some countries, co-determination

gives representatives of workers seats on the board of directors of their employers. 9fd6561601 Labour Day is a public / statutory holiday. It is an annual day of celebration of the labour movement and the institution of achievements. It has its origins in the labour union movement, specifically the eight-hour day movement, which advocated eight hours for work, eight hours for recreation, and eight hours for rest. 9fd6561601 Child labour has existed to varying extents throughout history. During the 19th and early 20th centuries, many children aged 5-14 from poorer families worked in Western nations and their colonies alike. These children mainly worked in agriculture, home-based assembly operations, factories, mining, and services such as news boys—some worked night shifts lasting 12 hours. With the rise of household income, availability of schools and passage of child labour laws, the incidence rates of child labour fell. 9fd6561601 Throughout the later decades of the 20th century and into the first years of the 21st, Labour dominated politics in Scotland, winning the largest share of the vote in Scotland at every UK general election from 1964 to 2010, every European Parliament election from 1984 to 2004 and in the first two elections to the Scottish Parliament in 1999 and 2003. After this period, Scottish Labour formed a coalition with the Scottish Liberal Democrats, forming a majority Scottish Executive. Until recently, especially since the 2014 Scottish independence referendum, the party suffered significant decline, losing ground predominantly to the Scottish National Party, who advocate Scottish independence from the United Kingdom. Scottish Labour experienced one of their worst defeats ever at the 2015... 9fd6561601 == Overview == 9fd6561601 Large-scale implementations of penal labour include labour camps, prison farms, penal colonies, penal military units, penal transportation, or aboard prison ships. 9fd6561601

9fd6561601 The federal, provincial, and territorial governments all regulate labour and employment law in Canada, with the federal government regulating a few particular economic sectors and the provinces and territories regulating all others. The constitution gives exclusive federal jurisdiction over employment as a component of its regulatory authority for specific industries, including banking, radio and TV broadcasting, inland and maritime navigation and shipping, inland and maritime fishing, as well as any form of transportation that crosses provincial boundaries (essentially aviation and rail transport but not highways). Employment outside of federally regulated industries falls under provincial authority for most civil (including contract) law. Territories generally have similar powers as provinces but by those powers are delegated by federal statute (not constitutionally guaranteed), can be less extensive in scope, differ for each of the three territories, are subject to change accruing over time, and also interact to a large... 9fd6561601 The Labour Party was founded in 1900, having emerged from the trade union movement and socialist parties of the 19th century. As economically valuable worktime, human labour adds value to products or assets (thereby conserving their capital value, and/or transferring value from inputs to outputs). In this sense, labour is an activity which creates/maintains economic value pure and simple. This could be realized as a sum of money once labour's product is sold or acquired by a buyer. If an employer hires a worker for a contractually specified time to produce something but the worker does not actually do any work, it's not only a waste of time, but also an extra cost to the employer (a loss of value). The value-creating ability of labour is most clearly visible, when all labour is... 9fd6561601
