In 1763, it became the capital of the State of Brazil. In 1808, when the Portuguese Royal Court moved to Brazil, Rio de Janeiro became the seat of the court of Queen Maria I of Portugal. Under the leadership of her son, Prince Regent John of Braganza, Maria raised Brazil to the dignity of a kingdom within the United Kingdom of Portugal, Brazil, and Algarves. Rio remained as the capital of the pluricontinental monarchy until 1822, when the Brazilian War of Independence began. This is the only instance in modern history that the capital of a colonizing country officially shifted to a city in one of its colonies. Rio de Janeiro subsequently served as the capital of the Empire of Brazil until 1889, and... == History == The aquatics centre was intended to be adapted into community facilities in Madureira Park and the Campo Grande area. But these plans wound up cancelled by new mayor Marcelo Crivella. In February 2017, a reporter commented that the aquatics centre had become a white elephant, abandoned and left to crumble, less than a year after the games. That same month, the Brazilian Army dismantled the pools.

One was taken to a fitness center in Urca, out of a donation by Crivella, and was later returned.
