

Malnutrition Meaning In Tamil

In the 21st century, many hijras live in well-defined and organised all-hijra communities, led by a guru. Over generations, these communities have consisted of those who are in abject poverty or who have been rejected by or fled their family of origin. Some hijras undergo an initiation rite into the hijra community called nirvaan, which involves the removal of the penis, scrotum, and testicles. Many of them are sex workers... b6e4fe4b97 The word hijra is an Urdu word. It has traditionally been translated into English as "eunuch" or "hermaphrodite", where "the irregularity of the male genitalia is central to the definition". However, in general, hijras have been assigned male at birth, with few being intersex. Hijras' identity originated during the Delhi Sultanate (1206–1526) and developed further under the Mughal Empire (1526–1707). b6e4fe4b97

Hijra (South Asia) identities due to regional cultural differences. Hijra is officially recognised as a third gender throughout countries in the Indian subcontinent, being considered neither completely male nor female. They are also known as aravani and aruvani, and, in Pakistan, khawaja sira. In Odia, a hijra is referred to as hinjida or hinjda, in Tamil as ali, aravanni, aravani or aruvani (often In South Asia, hijra are transgender, intersex, or eunuch people who live in

communities that follow a kinship system known as the guru-chela system

Moringa oleifera peregrina. Common names include moringa, drumstick tree (from the long, slender, triangular seed-pods), horseradish tree (from the taste of the roots, which resembles horseradish), ben tree (for its oil), or malunggay (as known in maritime or archipelagic areas in Asia). The specific name *Moringa oleifera* is a short-lived, fast-growing, drought-resistant tree of the family Moringaceae, native to northern India and used extensively in South and Southeast Asia. lineage of *M.* The genus name *Moringa* derives from the Tamil word, *murungai*, meaning 'twisted pod', alluding to the young fruit

Indian organized crime is also prevalent outside of India, mainly in western countries such as Canada, the United States and the United Kingdom. In Canada Indian organized crime groups have been involved in extortion, targeted violence and terrorism. The ongoing diplomatic row between Canada and India is in relation to this. Unrelated to the established crime groups in India, are there also crime groups of Indian-origin engaging in criminal activities such as drugtrafficking, extortion, smuggling and money laundering in Canada and the United Kingdom. The word has had a variety of negative connotations. In modern-day English, it is usually regarded as offensive. In the 21st century, coolie is generally considered a racial slur for Asians in Oceania, Africa, Southeast Asia, and the Americas (particularly in the Caribbean).

Coolie During British colonial rule, Tamil-speaking labourers were among the first to Coolie () is a term historically used for low-wage labourers, typically those of Indian or Chinese descent. 'The word is still commonly used in Tamil with the same meaning. The term was first used in the 16th century by European traders across Asia. In the 19th century, during the British colonial era, the term was adopted for the transportation and employment of Asian labourers via employment contracts on sugar plantations formerly worked by African slaves. In the 18th century, it more

commonly referred to migrant Indian indentured labourers

Tribal Health Initiative Lalitha Regi in 1993 to provide quality healthcare at an affordable rate to the tribal population of Sittilingi village in rural Tamil Nadu with just one Outpatient unit (OP). It works for the welfare of the local community who are predominantly Malavasi tribals. As of 2010 it had grown to include a 24-bed hospital with a labour room, neonatal unit, operation theatre, diagnostic laboratory and imaging facilities, a community health outreach programme, an organic farming initiative and a craft initiative which aims to revive traditional Lambadi embroidery. THI was founded by Dr. Regi George and Dr. It works for the welfare of the local community Tribal Health Initiative (THI) is a non profit organisation located in the Sittilingi valley in Dharmapuri district, Tamil Nadu. Initiative (THI) is a non profit organisation located in the Sittilingi valley in Dharmapuri district, Tamil Nadu

Tamil Nadu Hence, culture, cuisine and architecture have seen Tamil Nadu is the southernmost state of India. 1956 into its current shape. The state was renamed as Tamil Nadu, meaning "Tamil Country", in 1969. Chennai is the state's largest city and capital. The tenth largest Indian state by area and the sixth largest by population, it is the home of the Tamils, who speak the Tamil language, the state's official language and the first to be recognised as a classical language in India

Tribal Health Initiative was founded in 1993 by a young doctor couple originally from Kerala, Dr... It is widely cultivated for its young seed pods and leaves, used as vegetables and for traditional herbal medicine. It is also used for water purification. Located on the south-eastern coast of the Indian peninsula, Tamil Nadu is straddled by the Western Ghats and Deccan Plateau in the west, the Eastern Ghats in the north, the Eastern Coastal Plains lining the Bay of Bengal in the east, the Gulf of Mannar and the Palk Strait to the south-east, the Laccadive Sea at the southern cape of the peninsula, with the river Kaveri bisecting the state. Politically, Tamil Nadu is bound by the Indian states of Kerala,

Karnataka, and Andhra Pradesh, and encloses a part of the union territory of Puducherry. It shares an international maritime border with the Northern Province of Sri Lanka at Pamban Island. The word originated in the 17th-century Indian subcontinent and meant "day labourer"; starting in the 20th century, the word was used in British Raj India to refer to porters at railway stations. The term differs from the word "Dougla", which refers to people of mixed African and Indian ancestry. Coolie is instead used to refer to people of fully-blooded Asian (e.g. Indian) descent whose ancestors migrated to the British and Dutch (as koelie... Description ==

V. A. Sundaram advocate, hailed from the nearby village of Vellalore and, as customary in Tamil Nadu, Sundaram's name included the place of origin and the father's name Vellalore Annaswamy Sundaram (2 February 1896 - 11 March 1967) was an activist in the Indian Independence movement, an associate of Mahatma Gandhi, a confidant of Madan Mohan Malaviya, and a fundraiser and secretary to the Benares Hindu University (BHU).
