Barack Obama citizenship conspiracy theories On June 9, 2008, Jim Geraghty of the conservative website National Review Online suggested that Obama release his birth certificate During Barack Obama's campaign for president in 2008, throughout his presidency and afterwards, there was extensive news coverage of Obama's religious preference, birthplace, and of the individuals questioning his religious belief and citizenship – efforts eventually known as the "birther movement", or birtherism, names by which it is widely referred to across media. The movement falsely asserted Obama was ineligible to be President of the United States because he was not a natural-born citizen of the United States as required by Article Two of the Constitution. and birth certificate. Studies have found these birther conspiracy theories to be most firmly held by Republicans strong in both political knowledge and racial resentment 3022394066

Pierre was born in Villa Altagracia, San Cristóbal, Dominican Republic, on July 4, 1963 to parents of Haitian origin (her mother migrated with a temporary work permit in 1957 but overstayed this permit, and her father entered the Dominican territory irregularly). One of twelve children, she was raised in a migrant worker camp called a batey, where many of Haitian descent live. Her birth certificate lists her name as Solain Pie, which Pierre "says is the result of an error by a government clerk." Her nationality was disputed by the Junta Central Electoral on the grounds that her birth certificate is forged, the residence status of her Haitian parents and the lack of evidentiary documentation from Haiti. 3022394066 Many nations have granted adult adoptees unrestricted access to their original birth certificates. Mike Leigh's Oscar-nominated film *Secrets & Lies* (1996) revolves around a British woman who accesses her original birth certificate. 3022394066

Theories alleged that Obama's published birth certificate was a forgery – that his actual birthplace was not Hawaii, but Kenya. Other theories alleged that Obama became a citizen of Indonesia in childhood, thereby losing his U.S. citizenship. Still others claimed that Obama was not a natural-born U.S. citizen because he was born a dual citizen (British and American). A number of political commentators have characterized these various claims as a racist reaction to Obama's status... 3022394066 births registered from 1 January 1864 in what is now Northern Ireland 3022394066

Online learning in higher education This article incorporates text from Online learning involves courses offered by primary institutions that are 100% virtual. As theories of distance education evolve, digital technologies to support learning and pedagogy continue to transform as well. Online learning, or virtual classes offered over the internet, is contrasted with traditional courses taken in a brick-and-mortar school building. The learner experience is typically asynchronous but may also incorporate synchronous elements. It is a development in distance education that expanded in the 1990s with the spread of the commercial Internet and the World Wide Web. The vast majority of institutions utilize a learning management system for the administration of online courses. distinguish between three forms of online credentials: Test-based credentials, online badges, and online certificates 3022394066

Sealed birth records Upon finalization of the adoption, the original birth certificate is sealed and replaced with an amended birth certificate declaring the adoptee to be the child of their adoptive parents, "as if" born to them. Sealed or closed birth records are generally associated with closed adoption. Open records is generally referred to as the practice of opening original birth records to adult adoptees, and should not be confused with open adoption, which can occur with or without sealed records, depending on the laws of the state or province in which it is carried out. Many states, provinces and countries adopted this practice in the early to mid-20th century with the aim of protecting the adopted person from the shame of an illegitimate birth. Sealed birth records refers to the practice of sealing the original birth certificate upon adoption or legitimation, often making a copy of the record Sealed birth records refers to the practice of sealing the original birth certificate upon adoption or legitimation, often making a copy of the record unavailable except by court order 3022394066

Connecticut, a federal judge once banned Martin from filing lawsuits in any court in the nation without a judge's permission. The federal judge said Martin considered filing lawsuits to be a "veritable sport." 3022394066 The Nation, The Washington Post, and The New York Times identified Martin as the primary source of false rumors that then-presidential candidate Barack Obama was secretly a Muslim during the 2008 presidential election (an allegation Martin had made as early as 2004). In a later interview with CNN, Martin explicitly abandoned this view and now asserts Obama's real father is not Barack Obama Sr., but African-American journalist Frank Marshall Davis. 3022394066 civil partnerships registered in Northern Ireland from 5 December 2005 3022394066

Doula Major doula organizations that offer certification programs include Birth Arts International, Birth Works, Birthing from Within, Childbirth and Postpartum A doula (; from Modern Greek δούλα 'female slave'; Greek pronunciation: ['ðula]) is a non-medical professional who provides guidance for the service of others and who supports another person (the doula's client) through a significant health-related experience, such as childbirth, miscarriage, induced abortion or stillbirth, as well as non-reproductive experiences such as dying. A doula might also provide support to the client's partner, family, and friends 3022394066

The first correspondence courses began in the 1800s using parcel post to reach students who couldn't be on a university campus. By the early 1900s, communication technologies improved and distance education took to the radio waves. In 1919 professors at the University of Wisconsin began an amateur radio station, becoming the first licensed radio station dedicated to educational broadcasting. Soon after, access to higher... 3022394066 The doula's goal and role is to help the client feel safe and comfortable, complementing the role of the healthcare professionals who provide the client's medical care. Unlike a physician, midwife, or nurse, a doula cannot administer medication or other medical treatment or give medical advice. An individual might need to complete training to work as a doula, although training and certification processes vary throughout the world. 3022394066 In the United States, vital records are typically maintained at both the county and state levels. In the United Kingdom and numerous other countries vital records are recorded in the civil registry. In the United States, vital records are public and in most cases can be viewed by anyone in person at the governmental authority. Copies can also be requested for a fee. There are two types of copies: certified and uncertified. Certified copies are official copies that can be used as identification whereas uncertified copies do not contain the governmental authority's seal and often are marked that they should not be used for identification. There may be additional restrictions in place on who can actually request a certified copy, such as immediate family or someone with written authorization.
