== Series overview == 3ced8ef58a Although the concept of plunderphonics is broad, in practice there are many common themes used in what is normally called plunderphonic music. This includes heavy sampling of educational films of the 1950s, news reports, radio shows, or anything with trained vocal announcers. Oswald's contributions to this genre rarely used these materials, the exception being his rap-like 1975 track "Power", which combined a Led Zeppelin instrumental with a sermon of a Southern US evangelist. 3ced8ef58a

Jilly Juice Scientific evidence has shown that this treatment is not only ineffective, but is also toxic with potentially deadly adverse effects. == Background == 3ced8ef58a Animutation was popularized by Neil Cicierega. Cicierega claims to have been inspired by several sources, including bizarre Japanese commercials and Martin Holmström's "Hatten är din" Soramimi-style video made for the "Habbeetik" song by Azar Habib. The term animutation is a portmanteau of animation and mutation and was popularized in 2001 through Cicierega's flash animations such as Japanese Pokerap and Hyakugojoyuichi!!, which feature the credits music from older episodes of Pokémon. The popularity of Hyakugojoyuichi!! quickly made it an Internet phenomenon. Since that time, others have adopted a similar style and communities of similarly minded animators have sprung up around the web. These versions made by fans were christened "fanimutations". 3ced8ef58a

The designation "four-letter" arises from the observation that many (though not all) popular or slang terms related to excretory functions, sexual activity, genitalia, blasphemies, and terms linked to Hell or damnation are incidentally four-character monosyllables. Notably, the term "four-letter word" does not strictly refer to words containing exactly four letters. 3ced8ef58a The goal was to reconceptualize the TV format Walulis sieht fern for YouTube. Therefore, presenter Philipp Walulis and his team analyzed the functioning of successful YouTube formats in a three-monthly period of development with the title "Make The Internet Great Again". They thought about how they could use this new knowledge in their own format and make the best out of their Television experience and the demands on YouTube videos. This period of development was public and the users were called out to give suggestions and offer criticism. 3ced8ef58a The history of Saint Kitts Creole is similar to that of other English Caribbean creoles. In the 17th century, enslaved West Africans in Saint Kitts had to learn British English quickly because their labour on sugar plantations required it. Their English was mixed with West African words and, in some cases, West African language structure. The French, who occupied the island 1625-1713, had only a small impact on the language, unlike in the formerly French islands of Dominica and Saint Lucia, which speak a French-based rather than English-based creole. 3ced8ef58a Large land areas in the world are too dry for trees to survive. Although water may be present in the ground, it is often too deep for small trees to develop a root structure to reach. The Groasing Technology employs biomimicry to solve the problem of growing plants in deserts, eroded areas, badlands and on rocks. The purpose of this technology is to replant such areas, restore the vegetation cover, and make them productive with fruit trees and vegetables. 3ced8ef58a == History == 3ced8ef58a The phrase has been in use in both the United States and the United Kingdom since at least 1886. 3ced8ef58a
