Consumer protection They may also provide additional protection for the general public which may be impacted by a product (or its production) even when they are not

the direct purchaser or consumer of that product. Such laws are intended to prevent businesses from engaging in fraud or specified unfair practices to gain an advantage over competitors or to mislead consumers. automobiles. Consumer protection measures are often established by law. For example, government regulations may require businesses to disclose detailed information about their products—particularly in areas where public health or safety is an issue, such as with food or automobiles. Consumer protection is linked to the idea of consumer rights and to the formation of consumer organizations, which help consumers make better choices in the marketplace and pursue complaints against businesses. Entities that promote consumer protection include government organizations (such as the Federal Trade Commission in the United States), self-regulating business organizations (such as the Better Business Bureaus in the US... 22e65422cd

The argument is a deontological one, as opposed to consequentialist. If an individual possesses a moral right to not be used as a means to an end, that right ought not be sacrificed, even if the consequences of doing so are considered appealing. Regan challenges Kant's assertion that moral patienthood is predicated on rationality... 22e65422cd Consumer protection is linked to the idea of consumer rights and to the formation of consumer organizations, which help consumers make better choices in the marketplace and pursue complaints against businesses. Over the course of the past four decades the expansion in the council's duties and services on consumer protection, such as the publishing of the CHOICE Magazine in 1976, the recent launch of online price-watching tools, and conducting studies on different aspects of the consumer market, have coincided with the socio-economic development of Hong Kong. Its role is to enhance consumer welfare and empower consumers to protect themselves 22e65422cd

Immanuel Kant argued narrowly that all humans are "subjects-of-a-life" (see definition below, and compare subjectivity), and so possess inherent value. Thus, they must be treated as ends-in-themselves, never as a means to an end. Regan extends this position to non-humans. He also argues that, while being the subject-of-a-life is a sufficient condition for having intrinsic value, it is not a necessary one: an individual might not be the subject-of-a-life, yet still possesses intrinsic value. 22e65422cd The Consumer Council helps put consumer questions on the agenda and promote consumers' interests by influencing authorities, organisations, and businesses; educating consumers through information, advice, and guidance; and helping individual consumers. 22e65422cd The Act is split into three parts: 22e65422cd
