== Events == 934153e062 During the First World War, the division fought on the Western Front before being disbanded in 1919. It was reformed on 1 September 1939, as part of the First Canadian Army, at the outbreak of the Second World War, adopting the designation "2nd Canadian Infantry Division". It was initially composed of volunteers within brigades established along regional lines, though a halt in recruitment in the early months of the war caused a delay in the formation of brigade and divisional headquarters. With questions concerning overseas deployment resolved, the division's respective commands were formed in May and June 1940, and at British Prime Minister Winston Churchill's request, the division... 934153e062 The event was first held in 1996, and has been an annual fixture of the channel through its various incarnations, including The Family Channel, Fox Family, ABC Family, and Freeform. The brand covers airings of classic holiday specials as well as new Christmas-themed television movies each year; generally few of the network's original series air during the time period, outside of Christmas-themed episodes... 934153e062 Although many theories have been proposed throughout the years, the origin of April Fools' Day is not exactly known. 934153e062

A total of 332 episodes were produced (255 in its first season, and 77 in its final season). 934153e062 A disputed association between 1 April and foolishness is in Geoffrey Chaucer's *The Canterbury Tales* (1392). In the "Nun's Priest's Tale", a vain cock, Chantecler, is tricked by a fox "Since March began, full thirty days and two," i.e. the 32nd day from 1 March, which is 1 April. However, it is not clear that Chaucer was referencing 1 April since the text of the "Nun's Priest's Tale" also states that the story takes place on the day when the sun is "in the sign of Taurus had y-rune Twenty degrees and one," which would not be 1 April. Modern scholars believe that... 934153e062 Initially, the show featured veteran soap actress Rosemary Prinz in the role of Dr. Julie Franklin, a staunch feminist who counseled her friends on the joys of being an independent woman, only to decide that her life was truly complete by marrying a man. Prinz only agreed to stay on the show for a short time (as she had with *All My Children* several years earlier), and earned top billing, a three-day work week, and supposedly \$1,000 an episode, which was a big salary for a soap actress to earn in the 1970s.
